THE MEDICAL SCIENCES  
RICHARD M. PEARCE, M.D., DIRECTOR

July 30, 1929

Dear Dr. Penfield:

I congratulate you most heartily on the  
the increased aid for neurological investiga-  
tion under your direction. This recognition  
of your work must be most gratifying to you,  
and I am sure that the donors will have no  
cause to regret their generosity. With my  
best wishes,

Yours sincerely,

*Richard M. Pearce*
