Dear Dr. G.

^{7 etc}
You may remember that at the time of our conversation ^{in New York} this autumn
you ~~is~~ ^{had} planned to come to Montreal
~~are you planning to come to Montreal according~~
~~this autumn~~
~~to our discussion of last spring? I should like very~~
~~much to be there and as I have to make a short~~
trip to see my mother in California and if you
will tell me the probable time of your arrival
~~can I want very much to~~ ^{to be there}
~~arrange the trip so as to be in Montreal at~~
that time.

There is a movement on foot at McGill to
expand the work in neurology. I hope you will
be able to come up and tell us what you think
of the situation and whether you ~~think~~ the
Foundation is likely to ^{care to} help with it.
