ROOM 2701  
61 BROADWAY  
NEW YORK

July 20, 1932

Dear Doctor Penfield:

Thanks very much indeed for your note of the 16th of July and for the trouble you have taken in getting me the prospectuses. It now seems rather less likely that I will get any time off in August since I am going to the Far East the latter part of that month. I am going to save the material, however, as I hope to use it some other year.

CHINA

With best regards to yourself and Mrs. Penfield.

Yours sincerely,

*Alan Gugg.*
