49 WEST 49th STREET, NEW YORK

INFORMATION SERVICE  
H. B. van WESEP, CHIEF

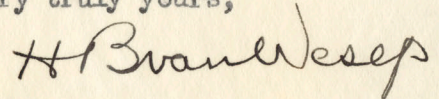

August 27, 1935

Dear Dr. Penfield:

For use in our annual report, we should like to have a photograph of the new neurological building in Montreal. A picture similar to the newspaper cut which I am enclosing herewith would be very satisfactory.

I should be much obliged if you could send us as soon as possible any material of this sort that you may have available.

Very truly yours,

H. B. van Wesep  
Chief, Information Service

Dr. Wilder G. Penfield  
Director  
Montreal Neurological Institute  
McGill University  
Montreal, Canada
