

EVENTS FOR FRIDAY 28th SEPTEMBER 1934.

For those who wish to play golf in the morning the privileges of the Royal Montreal Golf Club, the oldest golf club on the continent, have been extended to the guests by the President and Directors. Luncheon will be served at the Club at one o'clock, to which all guests and members of the Staff are invited by Dr. Colin Russel. Please signify if you wish to play golf and if you may be counted upon for lunch.

In the afternoon Dr. William Francis has kindly prepared an exhibition in the Osler Library in the New Medical Building.

At five o'clock Dr. William Cone, President of the Montreal Neurological Society, has arranged for a meeting in the Lecture Amphitheatre of the Institute. There will be informal presentations of ten-minute papers. Dr. Gordon Holmes will preside.

Dinner will be served very informally for the out-of-town guests at the home of Dr. and Mrs. Penfield at 4302 Montrose Avenue, at seven o'clock, daylight saving time. Please let us know if we may count on you.
