Professor Rene Leriche,

Strassbourg,

Dear Professor Leriche,

A thousand thanks for your kind greetings on the 27th of September. Your cablegram arrived in plenty of time and I took great pleasure in reading it to the guests who were present at the dinner on the evening of the opening.

The next time you come to this continent you must plan to come to Montreal and I will take great joy in showing you about. This joy, however, will be mixed with disappointment unless you bring Madame Leriche with you. Mrs. Penfield sends her best regards to you both. We are all well.

Yours very sincerely,

WGP/HL.
