

COPY OF LETTER FROM DR. MARTIN TO DR. HOLMES.

10th May 1934.

Dear Dr. Holmes,

I was delighted to hear that you will be able to come to the opening of our Neurological Institute, and this letter is merely in the nature of an official invitation from the University, asking you to come to give an address on that occasion. The date set for the ceremony is September 27th.

May I add for your information, that \$600.00 is being set aside for your travelling expenses; in addition there will be a small honorarium of \$100.00 for the lecturer. I only wish there were more but our budget at the University is so reduced that we are compelled to be thrifty.

I cannot tell you with what pleasure we will all welcome you and among the many friends none more so than myself.

With kindest regards,
Very sincerely yours,

(Signed) C.F. Martin.
