Dr. W. G. Penfield,
Royal Victoria Hospital.

My dear Penfield,

Thanks for the letter from Sir Arthur Keith,
which I now return. I had a similar cordial letter, and
am very sorry indeed that he cannot come.

I think Dale would be a very appropriate man to
approach in this matter. I did not quite understand, how-
ever, from your letter whether you wanted me to write, but
I shall be glad to do anything you say.

Sincerely yours,

Lewis
