September 10th,
1934.

Dr. W. G. Penfield,
Montreal Neurological Institute.

My dear Penfield,

I am enclosing a letter from Harvey Cushing, which should be answered right away. I got it in Europe just a few days before I sailed, and brought it with me rather than attempt to answer it from the other side.

I also enclose a copy of the letter which I have just written.

Sincerely yours,

C. Martin
DEAN.
