Dear Paul,

I have just sent off my acceptance for the re-union at Princeton. I am going to be attending a medical meeting on Friday, before re-union, in Baltimore. The society moves to Washington on Saturday. I thought I might attend some of the meeting in the morning and leave Washington ~~in~~ such time as to reach Princeton for the baseball game. Is there any chance of your going at that time? If not, we will get together there, I hope.

Give <sup>9</sup>May our best love. We are all well.

Sincerely yours,

WGP/HL.
