He was a member of his school debating team for two years and represented the school in oratorical contests two years.

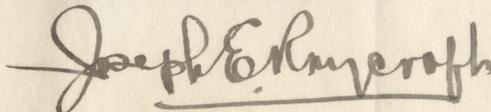

At preparatory school, he was on the basketball team two years, baseball team three years and football team four years. He was captain of the latter team during his Junior and Senior years. He has been a member of the football squad at Princeton during his entire course and he was a regular member of the team during the past season. He was a member of the Varsity wrestling team two years; and is manager of the baseball team during the present year. He is a member of the Undergraduate Executive Athletic Committee.

He has been an active member of the Philadelphian (Y.M.C.A.) Society and has been Chairman of the Committee on Bible Study Classes in the upper class clubs for two years. He has been a member of his class dance committee for four years. He was vice-president of the Sophomore Class, president of his Junior Class, and is a member of the Senior Council.

Mr. Penfield is a man of pleasing personality and of the highest character.

I am very glad to recommend him for your consideration as a candidate for the Rhodes Scholarship.

Respectfully yours,
