OFFICE OF THE DEAN

February 14th,
1928.

Dr. Wilder Penfield,
730 Park Avenue,
New York.

My dear Penfield:

I have your good letter of the 11th and am delighted to say that we will be very pleased indeed to help in making up the deficit in expenses over any Rockefeller grant that you may get. I have been thinking in terms of not more than \$1000.

I am writing Dr. O'Connor today and hope that you will be successful. I am also notifying Meakins to send in a letter. Archibald will not be back until Saturday.

With all kind regards,

Sincerely yours,

CJ Martin
