- 3:10 The epilepsies. Stanley Cobb.
- 3:40 Localization in petit mal epilepsy. Herbert Jasper.
- 4:00 - 4:15 General Discussion.

4:30 Tea in Laboratory of Electrophysiology.

7:30 Dinner and Bier Abend at the Faculty Club,
(3450 McTavish)

Toast Master Wilder Penfield
Response from visiting notables.

Fitting Fits. Robert Schwab

"A glass of milk, please." Molly and Eric

Alpha, Beta, Gamma, Delta Ditties

Musical Finale.

Hall,
Andrews.

1350 Irwin
Windsor.
1350

February 25, 1939
Saturday

9:00 to 12:00 noon. Demonstration of operating room
set-up for direct electrograms from the
human cortex.

Trains leave Windsor Station for Ste.
Marguerite at ~~12:23~~ and ~~5:34~~

1:05 1:50 6:55

Taxis will meet each train and take you
to Domaine d'Esterel.
