Mr. Raymond Swing,

Dear Mr.Swing:

Thank you for your letter of April 8th. I have given a good deal of thought to the matter and am now willing, although somewhat hesitantly, to appear as a guest on Mr. Murrow's "This I Believe" programme.

I have written out the text of what I would say for your approval. If this seems suitable, I will probably alter it in minor details and polish it, as I always do.

Yours sincerely,
